REPORTING PRODUCT FAULTS

Please email the fully completed form, together with all relevant supporting documents, to psirt@ifsys.com

DETAILS OF THE REGISTRANT

Titel	
First name	
Surname	
Email address	
Organisation	

PRODUCT DETAILS

Product affected	
IFS SYS order number	
Original manufacturer	
Item number	

Detailed description of the vulnerability

Please describe the vulnerability as precisely and comprehensively as possible from a technical perspective. In particular, please specify the affected components, parameters, services, versions, interfaces and any other relevant details.

Steps to reproduce the vulnerability

Please provide all the steps required to reproduce the vulnerability. Where available, please include a proof-of-concept (PoC), exploit code, command-line commands, scripts, configurations or other relevant technical evidence.

Possible corrective measures if known

Impact if known

☐ Declaration of Consent to the Processing of Personal Data

In order to process your enquiry and in the event of any follow-up queries, IFS SYS will process your name, email address and company details.

Providing this information and giving your consent are voluntary. We cannot contact you without your consent.

You may also submit your enquiry anonymously. In this case, we will be unable to follow up with any queries; please therefore provide as complete and precise information as possible.

You may withdraw your consent at any time with future effect by emailing psirt@ifsys.com.
